1. Make sure you have Google Docs downloaded.

4. By this stage you should be on Google Docs. There should be blue writing at the top of the page. Read this carefully and good luck for the day.
5. I will try my hardest to remind you about timing and when we move from one subject to another.

The file to click on to open is at the top of your page. Click on it to open.

If you find yourself on a screen that isn't loading or if you find yourself on a screen with this symbol in the top right hand corner. Click on this symbol. It will take you briefly to Google Drive, then to the Google Docs file.

If you do not have Google Docs/Slides/Sheets downloaded, you will not be able to open it using those programs. So please download Google Docs, Sheets and Slides.

Hi everyone,

Below I have typed up all of the learning sequences for today. I have written the time that these activities should be completed within. If you cannot finish the activities in the given time, DO NOT WORRY. Just do what you can. Make sure to take breaks during the day and to move around and keep your mind active. I will act as a reminder as to when different things should occur e.g. recess and lunch etc.

This document will save automatically as you work. At the end of the day, go back to Google Classroom, click on this Assignment and click "Hand In". This is my proof that you have done the days work.

Mr A

Congratulations you have made it to the Google Doc.

Now if you double-tap on a section you will be able to type!
