

Framework for teaching online – Early Stage 1 –Week 2

This week we will be learning about “Who Am I”. We will be investigating where we come from, how we keep ourselves safe? Types of shelters and what they are made of.

- Kindergarten teachers will be posting videos of reading lessons.
- Please refer to our core resource list to support your child’s learning online.
- We can see student progress on Studyladder and Phonicshero so there is no need to post your progress on Seesaw.
- You can use the scrapbook or Seesaw as a record of your learning. Make two posts daily on Seesaw.
- Teachers may allocate optional tasks on Seesaw for students to enjoy.
