## Education Week 2021

Dear Parents and Caregivers,

It is with great regret that due to the current restrictions, our planned Education Week celebrations have been postponed. We know that our students, teachers and the community were looking forward to the planned performances, so we are investigating options for sharing these performances with our community once students have returned to school. We will keep you informed when the plans can be finalised.

We would still love to celebrate all the learning we engage in and we need your help. We would like to invite all students, both those who are learning from home and those who are being supervised at school, to join in on the fun! You may even like to include your 'teacher/parent' you have at home in your photos. We would like to celebrate this year's theme, 'Lifelong Learners', by sharing the many different ways we have been learning recently.

For students learning from home, those with permission to publish may share a photo of them engaged in their home learning by emailing the school [greystanes-p.school@det.nsw.edu.au](mailto:greystanes-p.school@det.nsw.edu.au) with the subject line – Education Week. Please include the student's name and class in the body of the email. Some of these photos will be selected to feature on our school Facebook page, along with photos of teachers and students who are onsite.

Kind Regards

Maria Dichiera  
Principal

Kate Manson & Gordon Anderson  
on behalf of the Education Week Team
