## Classroom Requisites 2023

Dear Parents,

It's hard to believe that next week is the final week of school for 2022. Friday, 16<sup>th</sup> December will be the last day of school for the students. To assist you with preparation for your child's/ children's classes for 2023 we have included below a basic list of stage based requirements for your child's classroom from Kindergarten to Year 6. Please be aware that this is only a basic list and next year your child's teacher may request a few additional items.

I would like to take this opportunity to wish all families a very Merry Christmas and a prosperous New Year. May you have a restful fun-filled holiday with your children and extended family and have a chance to recharge your batteries.

Maria Dichiera  
 Principal

### **Appendix 3: Specifications required for Bring Your Own Devices**

**Wireless connectivity:** Student devices are only permitted to connect to the department's Wi-Fi network while at school. There is no cost for this service. All devices must not have the ability to bypass the department's network. **Devices with the ability to use VPNs, hotspots or SIMs should be disabled or not be brought to school.**

**Operating system:** Students must ensure they have a legal and licensed version of a supported operating system and of software. If applicable, students' devices must be equipped with anti-virus software.

**Software and apps:** Students will require basic desktop publishing software/apps (Word, Excel, Powerpoint) as well as access to Google Chrome and the G Suite for Education. Any further software/apps required and/or recommended will be confirmed by class teachers. The OurPact app or similar parental control software or apps are highly recommended to ensure students cannot access inappropriate or non-educational software or apps during the school day.

**Battery life:** A minimum of 5hrs battery life to last the school day.

**Memory and RAM:** A minimum specification of 16 GB storage and 2 GB RAM to process and store data effectively.

**Hardware features:** Camera and microphone.

**Ergonomics:** Reasonable sized screen and a sturdy keyboard to enable continuous use throughout the day.

**Other considerations:**

Casing: Tough and sturdy to avoid breakage.

Weight: Lightweight for ease of carrying.

Durability: Durable and strong.

**Accessories:**

- Headphones or earphones/earbuds
- Carry case: Supply a carry case or skin to protect the device.
- Insurance and warranty: Be aware of the terms of insurance policies/warranties for the device. The school will not accept responsibility for loss or breakage.
- Back-up storage: Consider a portable hard drive as an appropriate source of back-up storage for essential documents or students may use their Google Drive.
